ALUMNI ENDOWMENT FOR BEST FACULTY RESEARCHER

Alumni Association of Amala College of Nursing is a registered Association. The General body meeting has given sanction to utilize alumni fund to formulate an endowment to promote research activities and to give an award for best researcher. So an amount of Rs.5,00,000/- will be deposited as fixed deposit to give Rs.25000/- (Rupees twenty five thousand only) per year as an endowment for best faculty researcher/s. The aim of endowment is to motivate faculty members to do more researches /leading to more patents for the college. Also aim to create a vibrant environment and resources conducive for the conduct of research.

The criteria for giving endowment

1. The Director will constitute a committee with 3 experts to scrutinize the credentials of the applicants. One member shall be from Amala Institute of Medical Sciences, Thrissur and two members from outside. All these members should be renowned researchers with proven track record.

The Assistant Director (incharge of the Nursing College) shall be the facilitator of the scrutiny committee. The scrutiny committee will verify the documents of the applicants for the award and submit their findings to the Director through the Assistant Director.

2. The committee will be constituted probably in the month of January every year to scrutinize the research achievements of teaching faculty for the previous one year.
3. A notice will be issued by Principal in the first week of January every year to all faculty inviting formal application for the award of best faculty researcher with attached proofs/ documents. The last date of submission of application with all documents will be 31st January.
4. Permanent nursing faculty of Amala College of Nursing who is there in the attendance roll for one full year (1st January of previous year) will only be eligible to apply for the award.

5. The scrutiny committee will scrutinize all application using the format (Appendix 1) and prepare a select list.
6. Award will be given to one or more than one faculty researcher as equal or unequal amount along with certificates after getting approval from Director, Amala Institute of Medical Sciences, Thrissur
7. In the absence of a suitable researcher, committee can decide to give the amount to different research activities of college.
8. The decision of the committee will be final and binding
9. Any form of recommendation or lobbying will be considered as a disqualification.
