REPORT OF INSERVICE FOR STAFF

The Community Health Nursing department has conducted a national webinar on 12-11-2021 from 2-4pm for all the nurses nationwide. The topic was insight in to emerging and reemerging infectious diseases in India. Due to COVID 19 pandemic, the programme was conducted through zoom platform. The topics discussed include trends in epidemiological features of emerging and reemerging infectious disease in India, preparedness for emerging infectious diseases and digital preparedness in ICDS programme. 150 nurses from various states of India participated in the webinar. The participants were given opportunity for clarifying doubts.

Signature of Principal
