STAFF TOUR 2019

A faculty tour were arranged on May11th2019, by staff welfare committee for refreshing the minds, enriching the experience and maintain the 'Togetherness' in the campus. Every year representative from the management also joins in this outing. The venue was Cheppara Rock Garden which is one of the less-known tourist destinations in Thrissur district. Situated in Thekkumkara panchayat near Wadakkanchery, Cheppara is endowed with natural beauty, and is dotted with remnants of the past. The view of sunset from atop the rock, which is spread across an area of one km, is breath-taking, and trekkers can also enjoy a bird's eye view of Wadakkanchery and Thrissur towns. Due to the lack of crowd at any given time, explorers can enjoy the panoramic view from the hilltop in calmness. To watch the sunset from Cheppara amid strong winds is an unparalleled encounter with Nature. We also booked a resort named Eden Valley Lake Resort nearby in which we enjoy together with lots of fun. We started our journey by reaching at 8.00 am, refreshed by welcome drinks and snacks. Faculty members and family participated in the tour programme. The Tour got ended at 4.00 pm
