Submitted to

THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL

**AMALA COLLEGE OF NURSING,
THRISSUR**

IQAC

**PARENT FEEDBACK ANALYSIS REPORT
2020-2021**

**SUBMITTED TO
ADMINISTRATIVE COUNCIL**

INTRODUCTION

The IQAC of Amala College of Nursing was formed in the year 2019 and has formulated as a part of its quality policy and objectives the regular collection and evaluation of the feedback from the stakeholders as a part of the initiative the IQAC modified the existing parent feedback form and started collecting data from the stakeholders. Parent feedback is the corner stone in the evaluation of the academic activities of an institution and has major role in the future plan and activities of the organization

The parent feedback form was circulated among the parents who come for the class PTA meetings and was duly filed by the parents of students of I year to final year BSc Nursing

The thrust areas of evaluation were

Academic and clinical learning standards and the facilities provided by the institutions as well as communication system from the college

The parents expressed overall high satisfaction levels with the academic and clinical learning standards and the overall ambience of the institution

The detailed report year wise is attached herewith

The IQAC finds it a proud privilege to submit the report of parent feedback on the institutions to the esteemed Board of Management of Amala College Of Nursing

Two additional items were evaluated such as online classes and care during covid 19 and parents expressed average to good opinion regarding both.

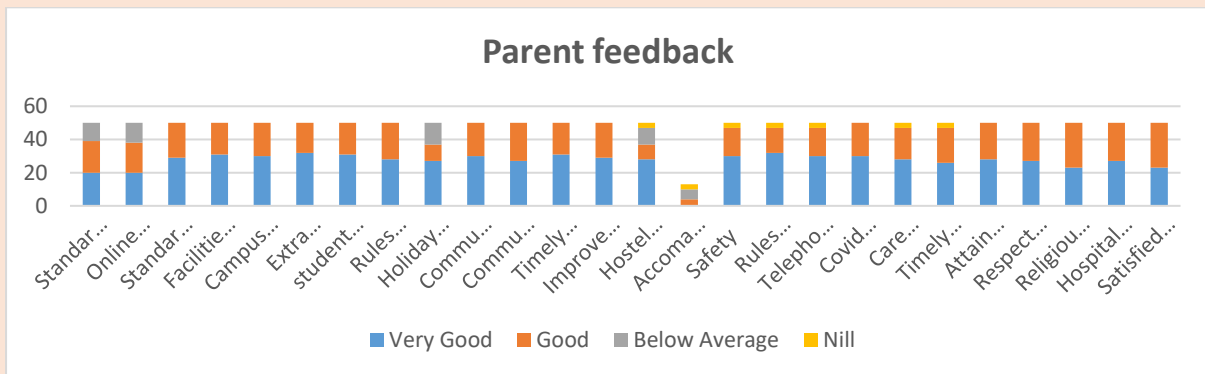

Covid 19 precautions and care

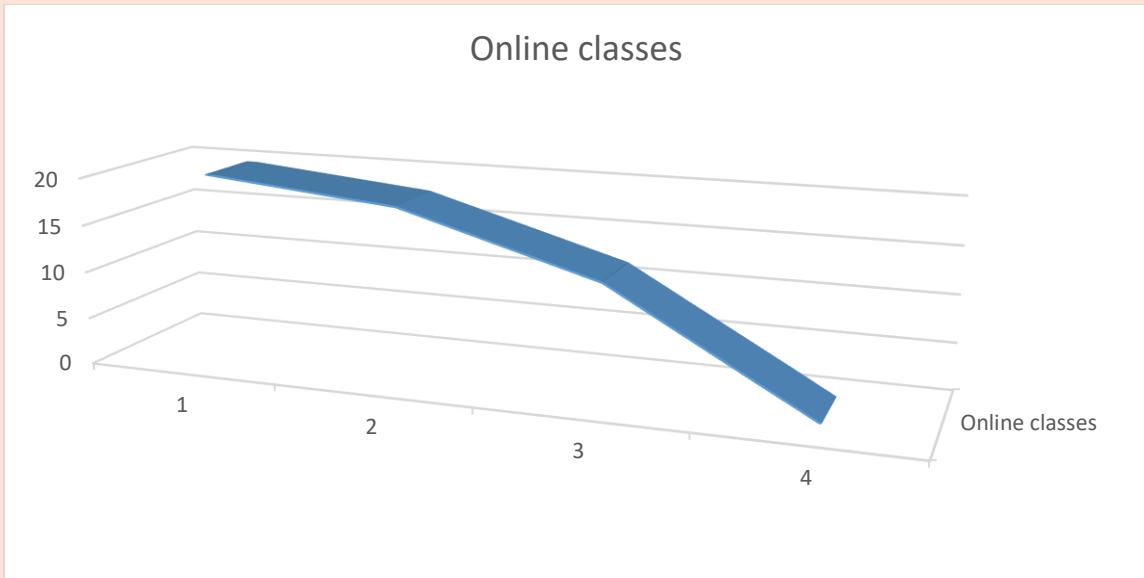

Two additional items were added to the parent feedback form such as evaluation about online classes and care during Covid 19 and it was decided on the basis of feedback that the classes which were not clearly understood by the students during online classes will be taken when the college reopens and assessments also will be conducted in a different mode.

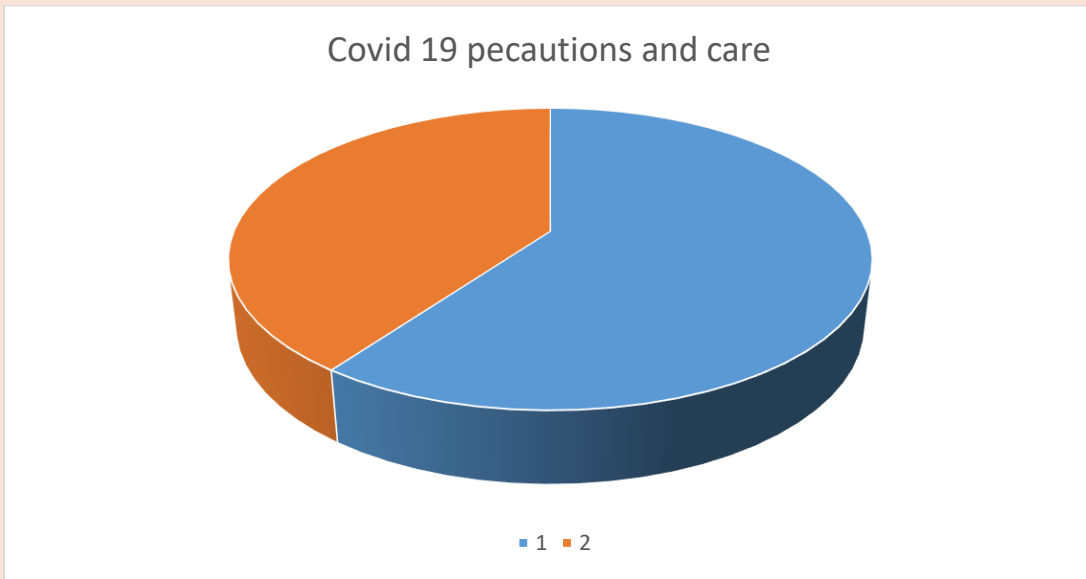

Parent feedback analysis second year

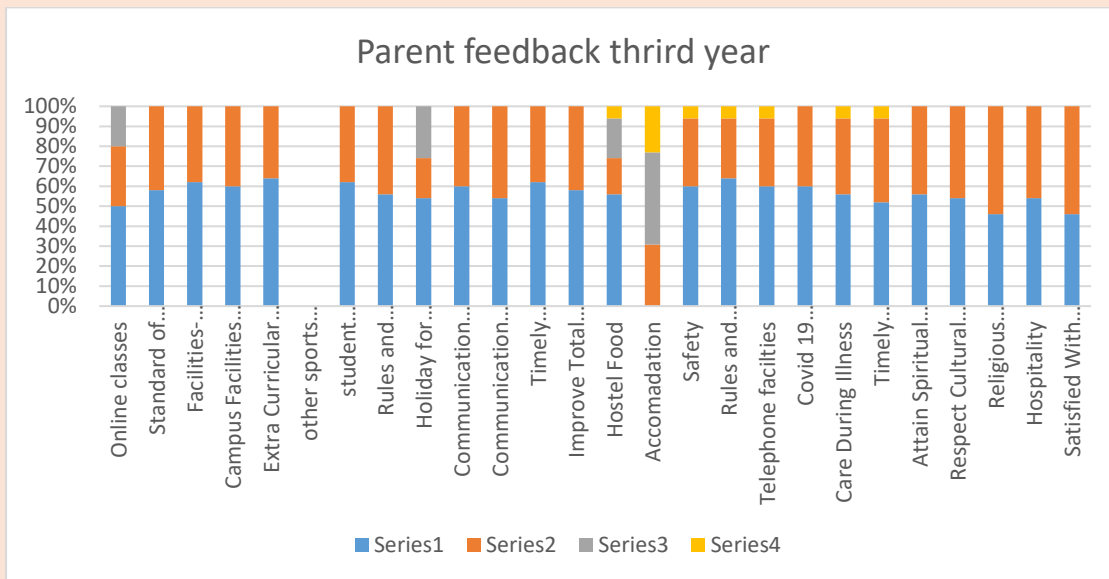

The second year parents expressed general satisfaction regarding the overall performance of the college and the facilities the online classes were evaluated by them also.

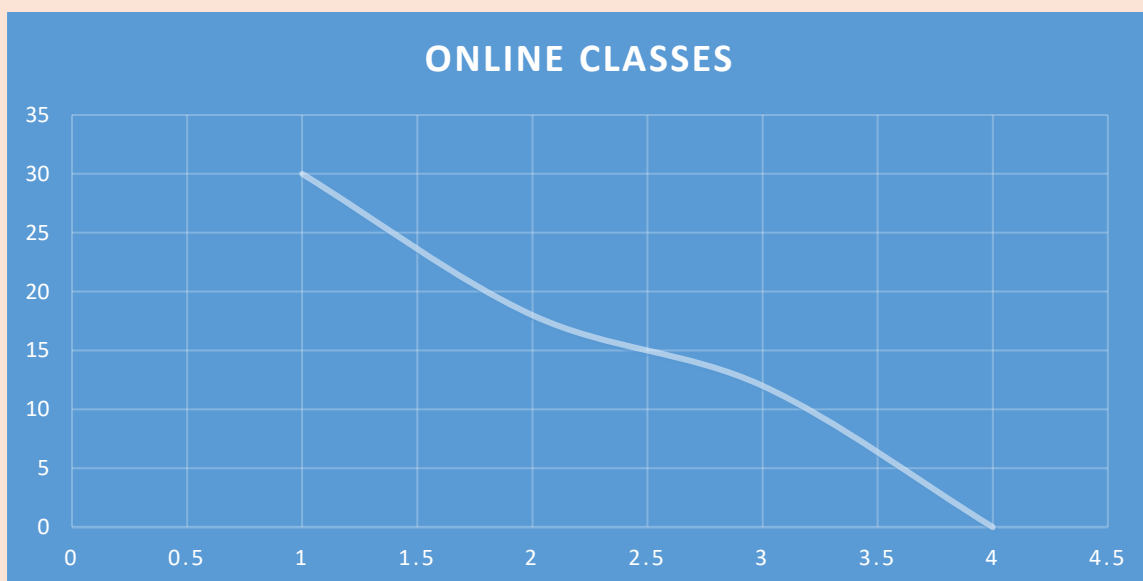

The majority opined the online education to be average and good and connectivity issues and clarity issues were the major hurdles , the parents were reassured of the quality of classes whci will be available through moodle and retaken

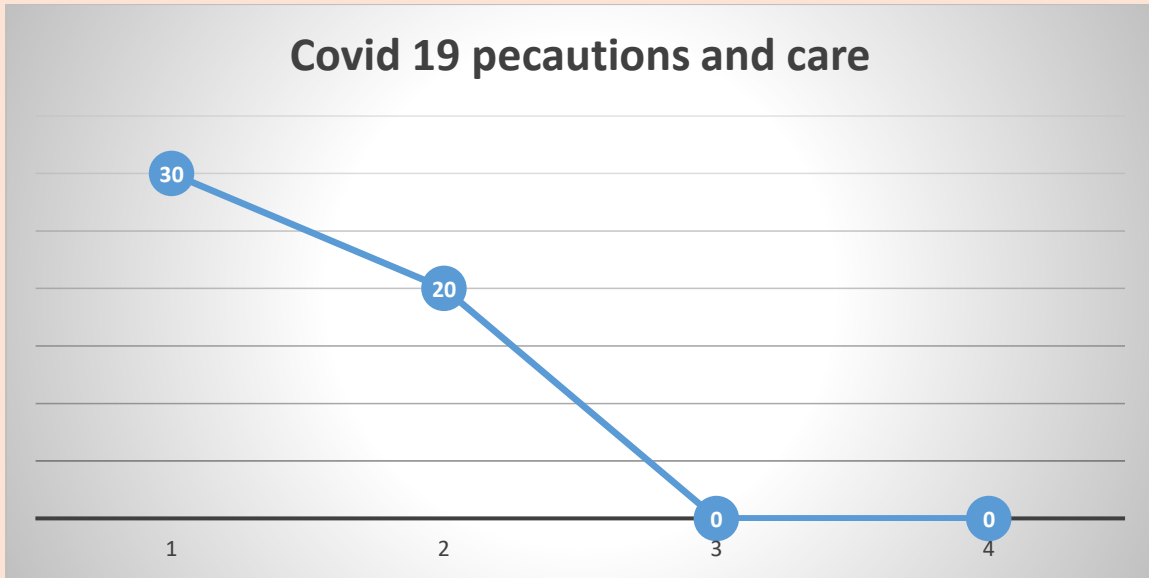

Parent feedback third year

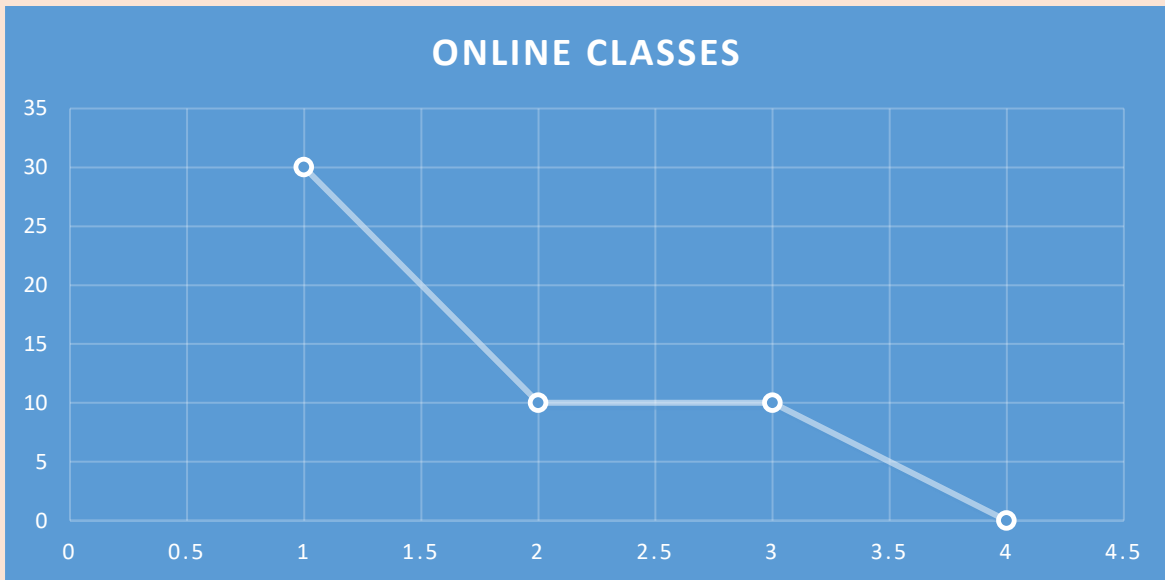

Parents of third year B.Sc. Nursing expressed their satisfaction with the academics and other support facilities but online classes and Covid 19 had caused concerns to them

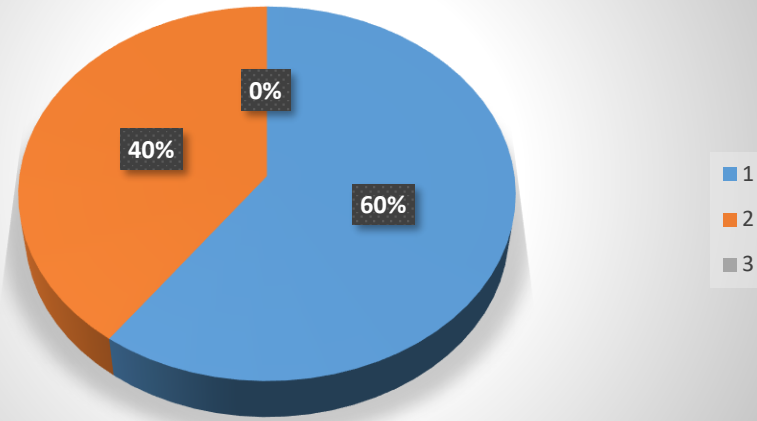

Covid 19 pecautions and care

Parent feedback analysis 4th year

Covid 19 pecautions and care

4th year parentfeedback
