Report of World water Day observation

World water day was celebrated on 22 march 2021. Various activities were carried out to sensitize students to the need of water conservation. Second year BSc nursing students made efforts to prepare and post a public awareness video about importance and value of saving water in social media. A session on water conservation was arranged for students

Report On World Earth Day Celebration

World Earth day was celebrated on 22 April 2021 jointly by the efforts of Eco-Club, SNA and NSS of Amala college of nursing with a view to sensitize students and faculty to the theme '*Restore Our Earth*'. The Programme was inaugurated by the Principal Prof.Dr. Rajee Reghunath. The faculty and students representatives together planted saplings of banana and tapioca in the '*Green Wave*' plot. Students were also encouraged to extend the efforts to community and generate public awareness on the need for environmental protection and conservation.
