PREFACE

Amala Institute of Medical Sciences, named after Mary Immaculate, is a Minority Christian Institution, which is open to all irrespective of religion, caste or creed. It aims at giving effective training to the youth to become nursing professionals devoted to the healing ministry, especially in the rural areas. It also strives to strengthen the quality of service offered in the large number of medical institutions run by the community. AIMS is a Unit of Amala Cancer Hospital Society managed by the Devamatha Province of the Carmelites of Mary Immaculate (CMI), founded by St. Kuriakose Elias Chavara, a sage-cum-savant. Amala, at present, offers an MBBS, Medical PG courses, Ph.D. Nursing, M.Sc. Nursing and B.Sc. Nursing courses and is affiliated to the Kerala University of Health Sciences. Students are admitted to this institute as per the admission procedure stipulated by the concerned authorities and in the tenor of the admission policy of the management.

Placement: First year B.Sc. Nursing

Title : Nursing Attitude Development Programme

Course code : VAC 001

COURSE DESCRIPTION:

The nursing field can be defined one of the noble profession in the world. A teenager who is planning to pursue his/her higher study in nursing should need some kind of passion and dedication. In order to inculcate the social commitment and passion towards this profession we arranged nursing attitude development programme for 1st year B.Sc. Nursing students.

The course is scheduled over three days and will be organized as part of induction programme of 1st B.Sc. Nursing students.

AIMS AND OBJECTIVES:

AIMS

The aim of this programme is to guide student nurses to identify and inculcate professional values and to help them become more oriented and mutually fulfilling in their personal, professional and social life.

OBJECTIVES:

This programme is intended to

- To facilitate the development of a holistic perspective among students toward s life and profession as well as towards happiness and prosperity based on a correct understanding of the human reality and the rest of existence.
- To highlight plausible implications of such a holistic understanding in terms of ethical human conduct, trustful and mutually fulfilling human behaviour and mutually enriching interaction with nature.

AMALA COLLEGE OF NURSING

VISION

To establish a Center of Excellence providing value- added education that combines effective teaching focused academic exposure and productive research with the aim of training healthcare personnel with professionalism and spirit of love and service as their hallmarks.

MISSION

We constantly seek to recruit brilliant staff and provide state-of-the art infrastructure in an Eco-friendly ambience with a view to challenging the students to become forward-looking dedicated graduate nurses imbued with compassionate love towards all, especially the poor and the marginalized.
