## ACTION TAKEN REPORT

The major issues identified on evaluation of curriculum feedback were:

- ❖ Lack of clarity in aims and objectives of course.
- ❖ Lack of adequate reference materials.
- ❖ Lack of balance between theory and application.
- ❖ Lack of clarity between hours and mark distribution
- ❖ Lack of adequate practical sessions.

The above issues were discussed in curriculum committee and remedial action planned includes:

- Syllabus orientation to be given at the beginning of academic year by course coordinators and overlooked by class coordinators.
- Allot more library hours and ensure utilization of reference materials and journals available.
- Provide lecture notes and simplified notes by subject teachers.
- Subject teachers to ensure integration of theory and practical component.
- Check feasibility for including more practical sessions in subjects like nursing management and education.
- Instructions to all teachers to include more innovative teaching strategies to generate interest in subject area.
- Allotment of adequate time to ensure effective coverage of syllabus.
- Integration of the add on programs to ensure enrichment of curriculum and include possibility for research and employability.
