## Innovation Committee

S.no.	Designation	Name of Members
1	Chairperson	Dr.Rajee Reghunath
2	Members	Prof.Lakshmi G
3		Mrs.Chanlin Chacko
4		Mrs.Rinu David
5	Students	Ms.Della Lison
6		Mr.Arun Mohan

The Innovation Committee is the governing body of the Innovation Model, in charge of defining priorities and areas of interest on which Indraventures . The Committee is responsible for supervising, leading and defining priorities for the corporate Innovation units, like Indraventures.

### Aim

The Innovation Committee is a powerful coalition of leaders from across the organization that guide and oversee the entire journey of innovation for our organization. They are responsible for driving the change process that will move the organization towards a culture that supports and sustains innovation; constantly monitoring it to make sure that it stays on track.

### Objectives

- Assess the current culture for innovation, identify communication initiatives, develop the strategies for innovation, create a process for innovation,
- Measure success and foster innovation throughout our department/organization.
- Committee to create a shared definition of innovation to help the entire organization innovate.

### Purpose

- The Innovation Committee explores emerging innovations and effective practices, helps to incubate ideas and a vision for education.
- The Committee may commission independent research within the annual operating and capital budgets approved by the Board.

## Norms and guidelines

1. Innovation Committee shall provide insight through internal and external resources for initiatives and new products and services that focus entrepreneurship and innovation.
2. The committee will address issues of importance in three key areas: Nursing, Entrepreneurship and innovation; early career initiatives; and the needs of society. It manages the processes, projects.
3. These shall be reviewed monthly and any changes deemed necessary or desirable shall be recommended for appropriate action.
4. The responsibilities of the Chair are to support, coordinate, and facilitate the work of the Innovation Committee and to guide the Committee to achieve the objectives.

## Young Innovators Programme Report

Kerala Development and innovation strategic council organised Young Innovators Programme targeting college students for promoting entrepreneurship. Student from our college joined this programme. They have undergone training of voice of the customer and received certificate, proposed an idea for the project execution. One of our faculty is selected as evaluator for the programme and received training for the project updation and evaluation. The programme is really great support for young innovators to bring up their creativity.
