4.2.2 - Details of the teaching hospitals (attached hospital or shared hospitals after due approval by the Regulatory Council / University) where the students receive their clinical training

Amala Institute of Medical Sciences (AIMS) named after Blessed Virgin Mary, is a multidisciplinary medical network of pedagogical, therapeutic, research and outreach programmes. AIMS trace its origin to Amala Cancer Hospital which was started in 1978. It is managed by the Devamatha Province of CMI Congregation founded by St. Kuriakose Elias Chavara.

At present, Amala is home to a Medical College, College of Nursing, Nursing School, Super Speciality Hospital, Teaching Hospital, Cancer Hospital, Cancer Research Centre, Ayurvedic Hospital & Research Centre, a Homeopathic Hospital and Research centre, a Pharmacy Production Unit and Bethanygram (A home for the aged). Amala is managed by a team of CMI fathers appointed by the Trustee-in-Chief.

Amala Institute of Medical Sciences has been awarded NABH Accreditation by the Quality Council of India in 2019 January 12. The official handing over of the certificate was done by Shri. Pinarayi Vijayan, the Hon'ble Chief Minister of Kerala.

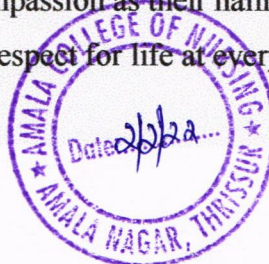

Vision

To be a foremost teaching hospital known for its excellence in holistic healthcare, quality education and research.

Mission

we are committed to translating the vision into action by:

- Employing the best possible staff.
- Providing state-of-the-art facilities in an eco-friendly ambience.
- Imparting affordable, inclusive, quality healthcare to all.
- Catering to the physical, emotional and spiritual needs of the patients.
- Following merit-based, transparent and non-exploitative admission procedure.
- Challenging our students to become forward-looking, dedicated health care personnel, with competence, integrity and compassion as their hallmarks.
- Instilling in the staff and students respect for life at every stage of its growth and in all its manifestations.
