AGAPE SERVICES

Under the auspices of Agape, all poor patients are given free food three times a day. About two hundred patients benefit from this service. The local public generously support this programme by donating rice, vegetables etc. In very special cases, Agape funds are made available to very poor patients to meet the expenses of scanning, sophisticated surgeries, costly medicines, and transportation. Every day our students also actively participate in this programme from 11:30-12:30 pm .
